Affirmation Statement for PA #8

I affirm that I (print name) ___*Bas Hertogh*___ have only worked with my teammates on this programming assignment and have received help only from a CptS 111 teaching assistant, someone at the tutoring center, and/or the CptS 111 instructor. I have used no other sources to complete this programming assignment except for the website given in the prompt or images I found on the web, and I have fairly assigned points to my teammates based on their contributions to the program.

If I am found to have been dishonest in this affirmation, I understand that I will fail CptS 111 this semester, Fall 2021.

Signed: ___*B*___
